

#### ERRATUM

In the September 1999 issue of the Journal (113:3, 425–427) a mistake was made in Figure 1(.4) in the paper “Retardation of hair follicle development by the deletion of TrkC, high-affinity neurotrophin-3 receptor” by Botchkareva *et al.* The bars indicating wild-type and TrkC<sup>−/−</sup> were incorrectly labelled: bars of the wild-type follicles should be black and bars of hair follicles in TrkC<sup>−/−</sup> mice should be white. The authors apologise for any inconvenience this might have caused.

#### ERRATUM

In the “Second Annual Meeting of Dermatology Forum for Basic Research and Treatment” Symposium Proceedings issue of the Journal (4:2, 190–195) a mistake was made in the paper “The interaction of cellular fibronectin with collagen during fibroblast-mediated contraction of collagen gels” by Yoshizato *et al.* The authors of the paper were listed incorrectly on the title page and on the contents page. The correct listing of authors should be:

Katsutoshi Yoshizato, Masatoshi Tsukahara, Tomonori Oki, Masahiro Hayashi, and Masanobu Obara
